## fruit solution to-go

Our Fruit Solution To-Go is the answer you've been looking for. Now you can keep your fruit salad fresh and chilled with a detachable chill ring when you're out and about. A special 5 ounce tight sealed container fits perfectly within the main compartment, which is also divided so your fruit flavors don't blend and get mushy.

The divided lid also has a convenient storage for your favorite toppings like nuts, granola, and more.
